

UNDERSTANDING BUSINESS EXCELLENCE

THRIVE35
PERFORM GROW SUSTAIN

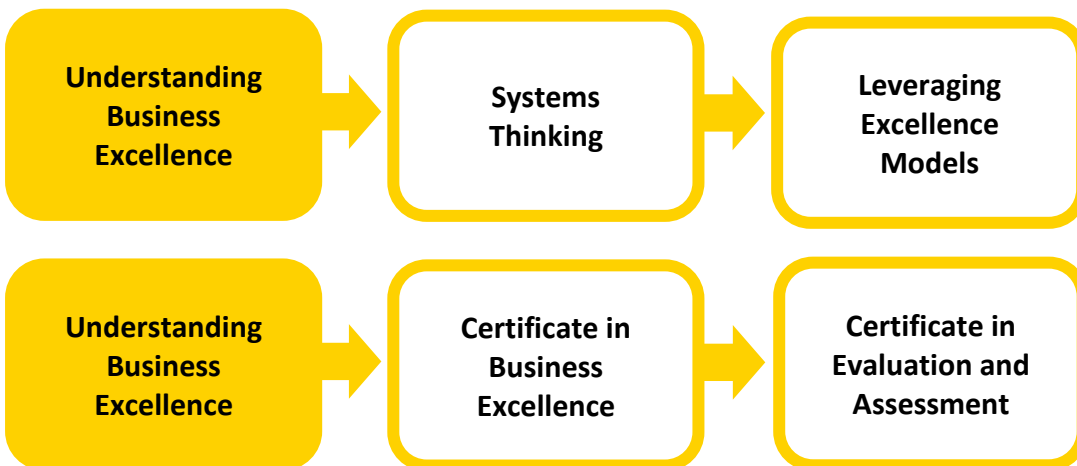

OVERVIEW

Business Excellence refers to the ability of an organisation to sustain superior performance into the future through the continuous improvement of outcomes delivered to its stakeholders. Organisations that aspire to Excellence use the guidance of Excellence Models at all levels of decision making.

The course is designed for individuals and organisations that are seeking to understand how best an Excellence Model can be beneficial. This introductory course provides participants with a clear understanding of how Excellence Models are best leveraged to drive continuous improvement and deliver business sustainability.

During this course, participants will learn about the history of Business Excellence, the global context, the fundamentals of the Australian Business Excellence Framework (ABEF), the key steps in an Excellence journey and about key benefits realised by organisations that have adopted the guidance of the ABEF.
