

The Local Government Excellence Network (LGEN) is a networking and knowledge sharing forum which exists to promote collaboration between Councils interested in pursuing transformation leveraging the guidance of Excellence Principles. It's a space where members can get together, learn from each other, share examples of good practice, delve into the application of Excellence concepts, and explore topics of interest. Membership is free and available to anyone who is currently employed in the local government sector.

LGEN is proudly delivered in partnership with Business Excellence Australia.
